Alison Jenkins

Registered Nurse Seeking employment in utilization review or work from home jobs.

Richmond, Texas

Summary

I am a honor graduate of Meridian Community College with an associate degree in nursing. I graduated in 2015 from Jones County Junior College with a certificate as a cosmetologist. I am presently enrolled in college to obtain my BSN. I will graduate in July 2020 at Mississippi University for Women with my BSN. I have five years of NICU level II experience including floating to other areas such as newborn nursery, postpartum/mother-baby, and pediatrics.
