Savannah Hawkins

MSN, FNP-BC, CCRN, CPEN, TCRN, CPN
Greater New York City Area

Summary

Motivated, talented, and accomplished, bilingual (Spanish) Nurse Practitioner with demonstrated expertise in the coordination, delivery, and management of evidence-based care for diverse populations in varied healthcare settings. Patient-focused healthcare provider skilled in managing routine and emergency medical situations in dynamic and high-pressure environments while promoting optimal health outcomes and maximized recovery potential. Highly regarded for efficiency, productivity, and the ability to deliver compassionate, comprehensive care. Eager to build upon proven successes as a Nurse Practitioner to seamlessly transition into a Pediatric ER or Urgent Care setting.

Experience

NEW WINDSOR PEDIATRICS, PLLC

Family Nurse Practitioner

November 2019 - Present (8 months)

New Windsor, New York, United States

Lead nurse practitioner at busy pediatric private practice.

Independently obtain medical histories, complete comprehensive assessments, order and interpret diagnostic studies to establish differential and working diagnoses for pediatric patients with acute, chronic and episodic illnesses; successfully complete up to 30 office visits per day. Prescribe pharmacologic and non-pharmacologic interventions to optimize patient outcomes. Educate patients and families on the importance of preventative care, health promotion, and lifestyle modifications to promote optimal levels of health and quality of life.

Selected Contributions:

Currently maintaining a patient satisfaction rating of 97%.

Recognized as the only clinician performing in office procedures including suturing, foreign body removal, and pelvic examinations.

Launched a successful support group to assist teenagers in coping with depression.

Operation Smile

Nurse Practitioner

March 2015 - June 2020 (5 years 4 months)

Provided professional services as both a Registered Nurse and Nurse Practitioner for cleft palate surgeries on four international mission trips to the Dominican Republic, Thailand, Vietnam, and Peru. Functioned in a circulating role from operating room, recovery, and pediatric post-anesthesia in safe but older, limited environments with a fast-paced schedule in the time available.

Rochester Regional Health System

Emergency Room Nurse

February 2011 - October 2019 (8 years 9 months)

Rochester, New York Area

Pediatric and Adult Emergency Registered Nurse

Performed initial patient intake and triage to include assessing, monitoring, and reporting vital signs; recorded presenting symptoms and prioritized care needs for most severe cases. Collaborated and communicated effectively with other emergency response team members. Performed respiratory interventions; utilized various immobilization and stabilization techniques; supported physician during procedures/exams; and performed wound care, IV administration, intramuscular injections, and medication administration. Maintained patient records to comply with HIPAA privacy regulations; processed documents, referrals, and patient communications.

Selected Contributions:

Served as Charge Nurse with responsibility for overseeing nurse teams and delegating tasks as needed.

Acted as Preceptor providing education, assessment, and oversight of nursing interns.

Anthony L. Jordan Health Corporation

Family Nurse Practitioner

August 2017 - May 2019 (1 year 10 months)

Rochester, New York, United States

Student, Family Nurse Practitioner (Under the supervision of Lorinda Parks, MD)

Rotated among varied patient care areas while developing proficiency in suturing, wound care, abscess incision and drainage, gynecological and obstetric procedures, orthopedic procedures, placement of central lines, foreign body removal, and more.

Selected Contributions:

Served patients in Guatemala as a nurse practitioner on an international medical humanitarian trip to provide patient care at various clinics as well as the Casa Jackson Hospital for Malnourished Children.

Recognized by Dr. Parks as a fast learner and working well with people of diverse ages and backgrounds.
