Nurse/Attorney Nurse Manager UTMB Health System/Operation
Administration

League City, Texas

Summary

Experienced clinical operations administrator, service line development, former institution privacy officer and contract attorney, Nurse Manager and Operations Administrator with a dynamic record of developing and re-organization across multiple healthcare service lines in academic health centers. Devoted to motivating the teams toward both the institutional and personal goals. Leading younger generations of my colleagues toward professional development as well as advancement. Skilled in critical care, ambulatory surgery unit, outpatient infusion, Nursing Education, Medical-Surgical, Patient Education, Advanced Cardiac Life Support (ACLS), and Patient Safety. Experienced and completion of multiple project management and service lines process optimization. Also, with great working knowledge of RCO operations and issues. Strong healthcare services professional with a Juris Doctor focused in Law from Texas Southern University—Thurgood Marshall School of Law. And currently pursuing MBA - Health Care Management.
