Qualified Care Consulting, PLLC

Company Owner

December 2017 - Present (2 years 8 months)

Raleigh-Durham, North Carolina Area

Qualified Care Consulting is focused on providing the very best personalized concierge services to guide you to the most accommodating resources. We serve as a liaison between you, your health care providers, and your family to ensure that all care providers are aware of your medications, and treatment plan. We support our clients during medical appointments by making sure that your concerns, wishes, issues, or questions are being expressed to the health care provider and that you fully understand your health care plan as it evolves.

OneStaff Medical

Travel Registered Nurse

February 2017 - Present (3 years 6 months)

I provide direct care to adult patients in a variety of settings. I care for patients with multiple diagnoses, across multiple medical specialties.
