Travel Registered Nurse  
March 2019 - April 2019 (2 months)  
El Paso, Texas Area

bedside nurse ,Assessment and treatment of the Cardiac patient- including status post cardiac cath patient, stent placements for prevention of MI . Status post Pacemakers placements. Collaborated with Surgeon and Cardiologist in best care for the patient.

Telemetry monitoring. Effective monitoring of lab values and cardiac enzymes while up close monitoring of patient's heart rhythm . Continuous physical assessment of patient throughout treatment and updating progress to MD and working with other disciplines in effective treatment for patient.

United Staffing Solutions, Inc. (USSI)

Travel Nurse

March 2019 - April 2019 (2 months)

United States

USSI is very helpful in assisting nurses with the travel assignment that best suits the nurse and the facility. They seem to be fair and support the travel nurse while still filling in the much needed staffing assignment for the hospital. They also assisted with the best suited hotel accommodation near the facility, easy fast access to work while having the home away from home accommodation.

Allegheny Health Network

Trauma General Surgery

August 2018 - November 2018 (4 months)

Pittsburgh, Pennsylvania
