Crystal Duval, RN, BSN

Registered Nurse at Children's Memorial Hermann Hospital
Spring, Texas

Summary

I have been a nurse for over 20 years and believe that being a nurse has rewarded me, not only professionally, but personally. I've been fortunate to experience many different roles in my career and work along with people who are as passionate as I am. Nursing continues to energize me and reward me with new experiences that allow me to share my knowledge with my patients, families and colleagues.
