Tina Huddleston

CNO at Baylor Scott & White Medical Center Trophy Club
Roanoke, Texas

Summary

I am a Certified Executive in Nursing Practice currently working as a Chief Nursing Officer within the Dallas/Fort Worth market. I have over 20 years of practice in the nursing profession. I am experienced in nursing leadership offering proficiency in nursing operations, excellent interpersonal communication skills and organizational savvy. I am an innovative individual with a strong work ethic and ability to build and maintain a highly productive, efficient and quality-driven environment. I am passionate about customer service and employee engagement. I utilize a focused approach on team coordination, leadership, quality outcomes, and patient-centered care to achieve exceptional customer care.
