Roanoke, Virginia Area

## Summary

I am a Registered Nurse using my passion, knowledge and interpersonal skills to provide quality, patient-centered care.

---

## Experience

### Fairlawn Surgery Center

Registered Nurse

September 2018 - Present (1 year 10 months)

Roanoke, Virginia

Provided care to patients throughout the perioperative continuum in outpatient surgery center specializing in dialysis access. Managed the pharmacy and daily operations, including personnel, in lieu of the director of nursing.

### Pediatric Dental Anesthesia Associates

Registered Nurse

July 2018 - Present (2 years)

Roanoke, Virginia

Responsible for providing patient and family centered perioperative care for pediatric patients in dental office environments. Primarily monitored patients postoperatively, provided aftercare instructions, and ensured safe discharge.

### The Brooklyn Hospital Center

Agency RN

May 2020 - Present (2 months)

Brooklyn, New York, United States

Worked as a travel RN in the Emergency Department through Aya Healthcare on COVID-19 crisis contract. Cared for patients across the lifespan in Level II Trauma Center. Unit consisted of 58 beds with a 1:7 nurse to patient ratio.

### UVA Health System

Travel Nurse

October 2019 - April 2020 (7 months)

#### United States

Worked as a travel RN in the Emergency Department at University Hospital through AMN Healthcare. Cared for patients across the lifespan in Level I Trauma Center. Unit consisted of 70 beds with a 1:4 nurse to patient ratio.

#### Carilion Clinic

##### Registered Nurse

June 2015 - March 2019 (3 years 10 months)

Roanoke, Virginia

Worked in the Emergency Department of Carilion Roanoke Memorial Hospital, a Level I Trauma Center. Specialized in working with the pediatric population and as a primary nurse in the trauma bay. Unit consisted of 92 beds with a 1:4 nurse to patient ratio.

#### United Surgical Partners International, Inc

##### Registered Nurse

July 2014 - May 2015 (11 months)

Folsom, California

Provided both pre- and post-operative care for one to two patients at a time at Folsom Surgery Center. Serviced multiple specialties in busy outpatient surgery center and cared for patients across the lifespan. Responsible for auditing patient charts.

#### Morgan Creek Villa

##### Caregiver

May 2014 - July 2014 (3 months)

Roseville, California

Rendered care to six elderly residents that included aiding each with their activities of daily living and instrumental activities of daily living. This mainly consisted of grooming occupants, administering medications, and meal preparation.

#### U.S. Department of Veterans Affairs

##### Student Nurse Technician

June 2012 - June 2013 (1 year 1 month)

Martinez, California

Participated in the Veterans Affairs Learning Opportunities Residency (VALOR) on the Subacute Unit at the Center for Rehabilitation and Extended Care (CREC). Cared for up to 16 patients under the supervision of a Registered Nurse. Major duties included assessing patients, coordinating care

with the interdisciplinary team, and delegating tasks to Licensed Vocational Nurses and Certified Nursing Assistants.

#### Pacific Ambulance

##### Emergency Medical Technician

July 2008 - January 2009 (7 months)

San Diego, California

Responded to 911 calls, performed inter-facility Basic Life Support transports, and worked in conjunction with Registered Nurses on Critical Care Transports.
