# LaCheria VanBuren

Clinic Manager RediClinic- Family Nurse Practitioner  
Pearland

## Summary

Advanced Nursing has given me the professional scope to diagnose, prescribe, and manage the overall care of a patient. I believe in promoting health, and disease prevention, in addition to helping during periods of acute illness. My commitment is to caring for patients and the ability to provide high quality patient care to make a valuable contribution to the tradition of excellence. I have two years experience as an Clinic Manager, four years experience as an Family Nurse Practitioner, and five years experience as an Registered Nurse.
