Daisy Muro, BSN, RN, PHN

Registered Nurse at Kaiser Permanente

Los Angeles Metropolitan Area

Summary

Enthusiastic, charismatic, and bilingual Kaiser Permanente nurse. I am excited for this opportunity and the beginning of a new chapter in life. I graduated and obtained my BSN from West Coast University and my CA RN license soon after. I have over 10 years of customer service experience and I reflect that in my patient care. I am a single mom that has fulfilled her dream of becoming a nurse.
