## Summary

Dedicated and motivated clinical coordinator. Experience as: Interim Director of Pediatric Services, NICU Manager/Coordinator/Clinical Educator with clinical experience and leadership focused in Level 3 NICU. Passionate about patient family centered care and providing high quality care to the patients and communities we serve. Not only have I been a NICU nurse, but I have insight as a NICU parent. This unique knowledge allows understanding into the importance of family centered care the needs of the parent.
