## WORK EXPERIENCE

**Salvation Army Boys' & Girls' Club, STEM Educator** – Houston, TX June 2018 – August 2018  
Taught students in summer camp about the importance of science, technology, engineering, and mathematics. Created age appropriate lesson plans for age 5 to 16. Facilitated construction of SeaPerch underwater remotely operated vehicles.

**iEducatе USA, Tutor** – Houston, TX Feb. 2018 – May 2018  
Tutored 4<sup>th</sup> and 5<sup>th</sup> grade math and science students in a Title I school

**Houston Community College, Peer Mentor** – Houston, TX Jan. 2018 – May 2018  
Provided one-on-one attention in discussing assignments and exploring strategies for academic and career success. Connected student with appropriate HCC resources and services.

## CLINICAL EXPERIENCE

**Houston Methodist West Hospital, Medical/Surgical Student Nurse** – Houston, TX Spring 2020  
Devised a plan of care for patients. Obtained and recorded patient's vital signs and relevant patient data. Identified and communicated patient needs in a timely manner. Assisted patients with activities of daily living. Implemented proper measures for infection control.

**Westpark Springs, Mental Health Student Nurse** – Richmond, TX Spring 2020  
Developed therapeutic relationships with patients via therapeutic communication. Developed nursing care plans for patients.

**St. Peter's Early Childhood Development Center, Pediatric Student Nurse** – Katy, TX Spring 2020  
Developed age appropriate teaching plans to promote pool safety in children ages 3 to 5 years

**Texana Behavior Health Clinic, Pediatric Mental Health Student Nurse** – Rosenberg, TX Spring 2020  
Observed autistic pediatric patients and evaluated the effectiveness and outcomes of treatment plans. Obtained knowledge about assessment tools, nursing interventions, and safety for these patients.

## PROFESSIONAL DEVELOPMENT & CERTIFICATIONS

**EpiCorps COVID-19 Contact Tracing Training Certification** May 2020

**CDC General Best Practice Guidelines for Immunization Training Certification** Feb. 2020

**March of Dimes Fundraising Planning Committee**  
Developed and implemented fundraising efforts for March of Dimes on behalf of the University of Houston CON.

**Sigma Theta Tau Leadership Modules** Summer 2019  
Completed modules that developed my nursing knowledge, leadership and management skills using evidence-based research

**National Society of Leadership & Success, Member** Nov. 2019  
Inducted member by completion of leadership training, success networking teams, and community service to build leadership skills

**Texas Nurses Association, Student Member** Feb. 2019 – Present
