# Brian Strong BSN, RN, CMSRN

Nurse Manager, Medical Surgical Telemetry at UCI Health  
Orange County, California Area

## Summary

Experienced Clinical Nurse Manager with a demonstrated history of progressive leadership, efficiency management and patient flow optimization.

Skilled in staff engagement, nurse leadership, clinical excellence in care delivery, transition to COVID care, team building, and the patient/family experience. Without a doubt, I am passionate about leadership, the standard of nursing, and evidenced based practice as a whole.

A strong professional leader with a foundation forged within the US ARMY, I am happily committed to a life within the healthcare industry.
