Acute Care

Aaron Perez

Emergency Room Nurse
Kailua, Hawaii

Summary

I have been a Registered Nurse since 1999 and have worked in many areas across the medical spectrum. I have worked in surgical units, IMU, Orthopedics, Special Diseases, Oncology and Emergency Room Departments in the acute care setting. I spent a year in the long-term setting as a Nursing supervisor and ADON early in my career before transitioning back into the acute care setting. The bulk of my nursing experience is in ER and Trauma services, an area I have found to constantly capture my interest. Concurrent to my nursing career I have also assisted and or developed several small businesses including a cell phone store, a dish network franchise and an exotic car rental website. I am currently working on a national restaurant guide. I enjoy challenges and look forward to learning opportunities.

Specialties: Emergency room services. CEN, PALS, ACLS, TNCC, ONC, NIHSS, ABLIS. I function as a preceptor and throughout my career have functioned in a charge capacity.
