Stephanie Pretty

B.S.N., R.N., CCRN, CSCRN; Nurse Innovator and Entrepreneur
Boston, Massachusetts

Summary

Registered nurse of ten years, currently employed in the cardiac SICU at Brigham and Women's Hospital. Nationally certified in critical care, progressive care, cardiac and cardiac-surgical nursing.

Through my passion for art and science, I have recently discovered a strong interest in innovation, design, and problem-solving which has inspired me to enter the world of entrepreneurship. I hope to one day bring my experience, talents, and ideas to a larger scale of healthcare professionals in both the U.S. and globally.
