LeKeya Weir, MSN, RN, CPN

Patient Care Manager at Texas Children's Hospital
Houston, Texas Area

Summary

Proven healthcare leader with experience in successfully leading and participating in evidence-based, family-centered patient care with proven positive outcomes. Extremely focused and motivated to contribute and excel in a competitive, fast-paced working environment with vast knowledge of patient care delivery models. Seeking opportunities that will allow utilization of current strengths and knowledge while using systems thinking to promote healthy living in an organization that values a positive patient experience and strong patient advocacy.
