Danielle Casteel BSN, RN, CMSRN, CPN

RN Neurosurgery
Houston, Texas Area

Summary

Experienced registered nurse with a demonstrated history of working in hospital and ambulatory care settings. Skilled in both pediatric and adult Neurosurgery, Neurology, Medical-Surgical, Healthcare Information Technology (HIT), and Acute Care.

Responsibilities include:

- Organize, prioritize, and coordinate the clinical data coming in via referrals and inpatient setting. Evaluate and communicate with physicians and other members of the team.
- Support providers in clinic and mobilize resources to assist in the optimization of clinic workflow, patient education and plan of care.
- Ensure referrals/consults and results are completed and reviewed by care team in a timely manner.
- Educate patients and families regarding Neurosurgical abnormality and plan of care.
- Work with surgical team to ensure surgery orders are carried out and patient is aware of pre-op requirements.
- Work with team to ensure cases are scheduled with the specific facility, anesthesia, and financial clearance has been obtained.
- Communicate any abnormal finding or financial issues in a timely manner to ensure efficiency of OR block time utilization.
