## Summary

### Emergency Department Nurse Manager

I am a committed, servant leader with a proven history of contributing to teams to reach their highest potential. I have expertise in clinical nursing skills, mentoring, planning, driving results, and collaboration. I am passionate about building and leading environments of support, trust, and engagement.

I am currently seeking a position that allows me the opportunity to:

- \* Impact the environment I work in and those I work with
- \* Make a difference for people
- \* Work in an environment of support, trust, and ownership
- \* Grow through opportunity for training and education
- \* Excel through flexibility and autonomy in my work
- \* Be excited about my role and work
