# Jima Woldegiorgis

Critical Care Registered Nurse  
Houston, Texas Area

## Summary

Experienced Intensive Care Registered Nurse with a demonstrated history of working in various ICU settings, including Medical, Cardiovascular, Heart & Lung Transplant units. Skilled in management of hemodynamically unstable patients requiring mechanical intubation, multiple vasoactive/inotropic drips that may also be on either IABP, VAD (including Impella), CCO monitor and CRRT. An avid patient advocate who loves working in a multidisciplinary team setting to promote patient safety and provide quality care.
