Hilya Kumar, RN, BSN

Registered Nurse at Contra Costa Regional Medical Center & Health Centers

San Francisco Bay Area

Summary

Experienced Registered Nurse at Outpatient Clinic for Contra Costa Health Services. Recently obtained my BSN from Ohio University. As an RN, I implement teamwork, leadership, critical thinking, nursing process, and teaching to our patients. I value and uphold a strong emphasis on safe nursing practice, patient centered care, and advocating for our patients. I work closely with doctors reviewing abnormal labs and administering treatments as necessary. I also work closely with patients in obtaining their medical history. I love being a nurse and practicing the holistic approach to nursing.
