Summary

I am a caring RN with main focus of Home Health and Palliative Care with occasional Hospice & Progressive Care Nursing. I work for Kaiser Permanente in Marin/Sonoma Co in CA . I have learned numerous EMRs, worked in many different settings across the U.S. Gaining a wealth of knowledge of how different HH&H agencies work. Love my patients and being able to teach them and assist them to live the best life possible. I do not consider nursing a job. For me it is a calling. My family consists of my mom, 2 grown sons and a daughter-in-law, all of whom I am very proud of. God has richly blessed me with the important things in life.
