Austin, Texas Area

Circulating RN for multiple locations in St. David's hospital system float pool with specialty lines in Cardiovascular, Orthopedic, Plastics and ENT, Neurological and Gynecological procedures.

Comprehensive Medical Services & Level II Trauma Center

St. David's Round Rock Medical Center is part of St. David's HealthCare, one of the largest health systems in Texas, which was recognized with a Malcolm Baldrige National Quality Award in 2014. With 171 beds, the hospital's comprehensive services include advanced cardiac care at the Heart Hospital of Austin at St. David's Round Rock—the first specialized cardiac facility in Williamson County—with the only Hybrid Operating Room (OR) in the county; as well as emergency services in a 24-hour emergency department, including advanced trauma care with a Level II Trauma Center; St. David's Urgent Care Round Rock; and St. David's Emergency Center in Cedar Park. St. David's Round Rock Medical Center is also known for providing advanced orthopedic and robotic services, among other complex specialties. In 2016, the hospital received the Distinguished Hospital Award for Clinical Excellence from

Healthgrades and also earned a national distinction for patient safety from The Leapfrog Group.

Seton Medical Center Austin

Austin's largest medical/surgical acute care center, Seton Medical Center Austin is the only hospital in Central Texas that performs heart transplants. One of four Magnet hospitals in the Seton Family of Hospitals, Seton Medical Center Austin offers comprehensive diagnostic and treatment services for both inpatients and outpatients and regional specialty programs including the Seton Heart Specialty Care and Transplant Center, Shivers Cancer Programs and the Marialice Shivers Regional Neonatal Center. Seton Medical Center Austin was also one of the first two hospitals in Texas to receive certification as a Primary Stroke Center.

This location also offers convenient and comprehensive 24-hour emergency health services for our neighbors in central Austin including SetonER.com for mini emergencies.

Seton Medical Center Austin is proud to announce our official redesignation by the American Nurses Credentialing Center as a Magnet hospital. Achieving Magnet redesignation requires satisfying a demanding set of criteria which measure the strength and quality of nursing and an interdisciplinary approach to patient care. It also sends a message to our community and our patients that we are committed to providing the best care possible.
