Emergency Room Nurse Indian Reservation at APN Staffing & Employment Solutions

Sebring

Summary

As clinical manager, a self-motivated manager, owner, and consultant with years of clinical skills in ER, Special procedures, Occupational Health, Long term care, Infusion nursing, Home health , CDU units Hospice , Charge RN, Director. Experience as a small business owner of an occupational health contracted company, where I created, marketed, sold programs. Experience in ER consulting, and OSHA trainer ER educator I have worked with clinical staff to establish protocols, policies and procedures. Additionally, provided training in the areas of health and safety, worker's Compensation regulations, case management, ergonomics and OSHA compliance.

As a proven professional who has the ability to concentrate on increasing profit and revenue via facility improvement by leveraging and capitalizing on my proven expertise as an owner, case manager, trainer, cost/benefit analyst, and legal consultant to provide profitable solutions for a company I can call home.
