Mildred Glauer

BSN RN CEN

Holland Patent, New York

Summary

Career goals include that I continue to advance my education so that I may provide current, comprehensive care that adheres with the hospital mission as well as the changing health care laws. Obtaining my BSN has added depth and dimension to my nursing practice. I plan to continue my education so that I am able to stay current with the times as well as share my knowledge with other professionals. I am now a flight nurse with Lifenet of NY. Training is progressing well looking forward to what the future holds.
