# Martina Gallagher

Psychiatric Nurse Practitioner at Progressive behavioral health  
Houston, Texas

## Summary

Over 30 years of combined nursing experience in the areas of health care academics, interventional radiology, psychiatry, and emergency care. Excellent skills in the areas of problem-solving, team collaborations and focus on customer service. Strong skills in nursing research and education, especially online teaching, and program development. An advocate for social justice and health equity. Strong interest in mental health issues. Creative out of the box thinker. Always open to new growth opportunities.
