Rayna Sloane, MSN, AGACNP-BC, CCRN

Acute Care Nurse Practitioner at Sound Physicians- Hospitalist NP
Phoenix, Arizona

Summary

Dedicated Acute Care Nurse Practitioner recognized for extensive experience in cardiovascular and caring for complex critical care patients in high-acuity medical centers. Demonstrates expertise in the areas of Mechanical Circulatory Support and served as an ECMO specialist, VAD specialist, Impella certified, and experienced with Tandem Heart, IABP, and other cardiac devices.

Obtained numerous awards and kudos for exceptional performance by going above and beyond to address concerns and provide exceptional patient care.

I am an acute care nurse practitioner who is board-certified with American Nurses Credentialing Center as an AGACNP-BC in addition to holding a national certification of CCRN through the American Association of Critical Care Nurses.

Dignity Health

MCS Nurse Practitioner-St. Joseph's Hospital and Medical Center
Norton Thoracic Institute

October 2018 - February 2020 (1 year 5 months)

Phoenix, Arizona Area

Provides direct care as an NP for the MCS Services and Advanced Heart Failure patients pre and post-VAD implants as a part of our Mechanical Circulator Support (MCS) Program in collaboration with a multidisciplinary health care team, performs physical examinations, confers with patients in person and by phone/electronically, collaborates with others in the department to assure smooth flow of patient care consistent with established quality indicators and participates in the overall coordination of patient care. The main focus is on the care of the adult patient requiring a VAD for bridge to transplant and destination therapy across the continuum of care. Also conduct independent clinic with VAD (pre and post-implant) patients and support the physician as needed working with cardiac surgeons and advanced heart failure cardiologists.

Banner - University Medical Center
