Angela Zimmerman Dreiling

IR Travel Nurse

Greater Salt Lake City Area

Summary

With 15+ years of experience in direct patient care, clinic management, and educator roles, I've become an exceptional leader who continuously seeks out opportunities to increase care outcomes. I've also acted as an educator who can design and deliver curriculum to all levels of students in preparation for testing and clinical practice. Please take a few moments to review my experience below and reach out if you have any questions.
