Neighbors Emergency Center

Director of Education and Compliance
May 2016 - January 2020 (3 years 9 months)
Pearland, TX - Corporate

As Director of Clinical Education I oversee a team of Clinical Educators who are responsible for all education delivered to clinical staff throughout the company. We also collaborate on physician education, leadership education, and corporate employee professional development. The education team has a strong quality and regulatory focus and helps the company maintain compliance through frequent site visits. We provide on-boarding education, annual competencies, in-services, eLearning, new center opening training, and any education needed for roll-outs of new products or processes.

Harris Health System

6 years 6 months

Nursing Instructor

November 2013 - April 2016 (2 years 6 months)

Nursing Practice and Professional Advancement

This position focused on system-wide nursing competency. I created and maintained numerous nursing competency computer-based training modules. I created modules and loaded them into a Learning Management System (LMS) using a software called Articulate. I also taught Leadership Development classes, such as a "Charge Nurse Class". Additionally, I assisted with the Graduate Nurse Internship Program at the Harris Health System.

Nursing Clinical Manager - ER

February 2012 - November 2013 (1 year 10 months)

Ben Taub General Hospital

As a Nursing Clinical Manager in the Ben Taub Emergency Center I was responsible for the operation of the unit while on duty. I also had 36 direct reports and oversaw almost 200 employees. I performed evaluations, scheduling, team building, counselings, coaching, quality audits, and additional managerial responsibilities.

Registered Nurse - ER

November 2009 - February 2012 (2 years 4 months)

Ben Taub General Hospital

As a staff nurse in the Ben Taub Emergency Center I cared for high acuity patients in a fast paced environment. I served as a trauma nurse, charge nurse, preceptor, and triage nurse. At this Level 1 Trauma center I experienced caring for patients with a wide range of complaints.

UTMB

Clinical Instructor

January 2012 - January 2015 (3 years 1 month)

School of Nursing

As a Clinical Instructor I supervised 10-20 nursing students while they were in the clinical arena. Some groups were precepted and others were cohorted. I rounded on the nursing students, assessed their knowledge of their patients, and held post-conferences.
