Takara Butler RN, MSN, MHA, CCM

Registered Nurse at East Jefferson General Hospital
Baton Rouge, Louisiana Area

Summary

I am a native of Baton Rouge, LA and dual masters prepared registered nurse with diverse nursing experience ranging from emergency/critical care, hospice, home health, education , disaster relief, case management and vascular nursing. I love specialty nursing and am pursuing certification in vascular access. My desire is to advance my practice as a nurse anesthetist. I am very diverse within my profession and never self limiting to one realm. My desire is to educate, advocate, and promote health through health literacy. Community nursing deeply connects to me and am willing to work with anyone to help end health disparities within Louisiana and abroad.

I am the business owner of The Resouce Center, which is an established nonprofit, 501c3 organization. The Resource Center's primary focus is to provide health education to at risk minorities through preventative teaching.
