## Summary

I am a Registered Nurse, currently working in the ICU of West Kendall Baptist Hospital as a Patient Care Supervisor. I attained my Bachelor's degree from Chamberlain College of Nursing (May 2015). I have experience in administration, conducting research, managing, teaching and clinical patient care.

I aim to achieve excellence in whatever I do through hard work, dedication and good planning. My challenge is always to aim for a high degree of proficiency. I am passionate about people, service, faith and extending this to those in the community.
