## Summary

I have been an ICU Nurse since 2014 when I began my career as a new grad in the MSICU at UNC Rex Healthcare. I was at UNC Rex until December of 2019. During my time there, I developed and grew in my critical thinking, communication, and leadership skills, and was surrounded by co-workers who supported and challenged me daily.

In January of this year, I began my travel nursing adventure! I currently am employed by Host Healthcare and am on my second assignment as an ICU nurse. I have learned so much during my short time as a travel nurse and am excited to see where this adventure will take me!
