Summary

I have my doctorate degree as an Acute Care Nurse Practitioner (ACNP) and work in the ICU as an ACNP. My expertise includes early mobility, delirium prevention, and sedation management in the ICU. I specialize in ICU care that restores patient's lives in all aspects.

As a legal nurse consultant, I specialize in medical record review, standard of care, expert witness, nursing negligence, malpractice, personal injury, nurse defense, and wrongful death. I am seeking to use my expertise to help with your difficult and interesting legal cases.

I have 6 years of intensive care unit (ICU) experience as a Registered Nurse. I have worked at 7 different hospitals in 4 states. My areas of critical care experience include: medical, surgical, trauma, thoracic, cardiovascular, respiratory, and neuro.

I am also available as a patient and family advocate. I am able to translate the most complicated medical rhetoric into simple english/ spanish terms for the layman.
