Kellye Jackson

Experienced nurse servant leader seeking to help others.

Dayton, Ohio Area

Summary

I am a highly motivated servant nurse leader. My passion is people. I thrive to solve problems and remove barriers to enable staff to provide excellent patient care. I believe in team work, integrity, respect and honesty. I enjoy helping others realize their dreams and achieve their goals.

Experience

Kettering Health Network

Manager, Quality and Patient Satisfaction

May 2017 - March 2020 (2 years 11 months)

Dayton, Ohio

Responsibility for patient experience for two hospitals, two free standing emergency departments, and multiple outpatient departments and facilities. I am responsible for data collection and analysis. I also develop creative ways to improve the patient experience. My role involves coaching and mentoring of peers at all levels and across all departments. I am also responsible for nursing quality and providing education on how Quality and patient experience intersect.

Dayton VA Medical Center

Nurse Manager

May 2016 - April 2017 (1 year)

Dayton, Ohio

My responsibilities include managing the day-to-day operations of a short stay skilled nursing unit providing care for America's finest patients. Provide professional and leadership development to staff members. Collaborate with physicians and other members of the interdisciplinary team to ensure proper veteran care.

Miami Valley Hospital

7 years 9 months

Nurse Manager

March 2013 - May 2016 (3 years 3 months)

Dayton, Ohio

Management and leadership responsibility for two inpatient units and an outpatient department with over 80 direct reports.

Rn Case Manager

June 2012 - March 2013 (10 months)

Case manager Inpatient Trauma Unit

Registered Nurse

September 2008 - June 2012 (3 years 10 months)

Clinical nurse- Inpatient Trauma Unit

United States Air Force

Communication/Navigation Systems Technician

August 1996 - August 2000 (4 years 1 month)

Kirtland AFB, NM

Troubleshoot and repair communication and navigation system components on aircraft, primarily cargo planes and helicopters.
