Emergency Room Registered Nurse at Loma Linda University Medical Center  
Hesperia, California

## Summary

After a couple years working in the public school district and working on my BSN, I am a new graduate registered nurse working in an emergency department. I was honored to be the Vice-President of the CNSA chapter on my nursing campus, host multiple community outreach projects through CNSA, represent my nursing school at conferences, and represent the student body during campus tours with Assemblymembers and Senators. I had the pleasure of representing my campus abroad in Spain and being inducted to the Chi Beta chapter of the Honor Society of Nursing, Sigma Theta Tau International.
