Summary

Patient-centered, detail-oriented, and driven Registered Nurse with
an Associate of Applied Science in Nursing with approximately two
years of clinical experience. My experience and education have
provided me with excellent knowledge of the healthcare system as
well as the discovery of a new passion—to improve patient care.

Experience

The Woman's Hospital of Texas
Registered Nurse
August 2016 - August 2018 (2 years 1 month)
Houston, Texas Area

• Provided high-quality nursing care through the continuous assessment,
implementation, and evaluation of a uniquely developed, patient-centered plan
of care.
• Created and maintained accurate and detailed reports.
• Utilized adequate time-management skills, prioritized tasks, and exercised
the sound judgement required to improve the quality of patient care.
• Administered medications in a safe, accurate, and knowledgeable manner
while attaining to hospital policy.
• Partnered with other medical personnel and communicated with family
members to ensure effective patient care.
• Educated patients and their families on proper post-operative care upon
discharge.
• Participated in hospital improvements to ensure safety and favorable patient
outcomes.

Ross Stores, Inc.
Front End Supervisor
July 2012 - August 2016 (4 years 2 months)
Tomball, Texas

• Observed and coached associates in customer management skills to ensure
service excellence.
• Motivated staff to achieve desired goals and ensure productivity.

• Delegated assignments based on workload assessment and required training.

Education

Lone Star College
Associate of Science - AS, Registered Nursing/Registered Nurse · (2012 - 2016)
